

Dear Junior Lobstick Participant and Parents/Guardians

We welcome you to Waskesiu and to our tournament. We want your experience to be enjoyable and rewarding.

There will be an information session on Sunday evening at 7:00 pm. We will discuss rules and other expectations and answer any questions that you may have. We have an expectation for all first time participants and encourage all other golfers to attend this meeting.

Re: OFF GOLF COURSE CONDUCT

In the past there have been serious incidents in the Waskesiu townsite during the Junior Lobstick. Most offenders are not golfers (some are) but rather other youngsters who use this event to come to the lake to party. Regardless, the golf course and junior golfers receive the brunt of these complaints. We encourage you to steer clear of potential problem situations usually occurring in large groups with alcohol involved.

If you are involved in a situation that requires Warden or RCMP involvement or should you be charged with any legal offence, be advised that you could possibly to be disqualified from the tournament.

The overwhelming majority of our Junior golfers have acted with the utmost respect for the Tournament and the National Park. We will assist local authorities in curbing nuisances clearly related to large number of young golfers in Waskesiu for the Junior Lobstick.

Your cooperation is expected and most appreciated.

Lobstick Tournament Committee
