December News & Notes

Note from the Golf Professional

Season's Greetings from the Pro Shop! We hope all is well during the Holiday Season.

Things are happening this time of year. We are planning a great summer for everyone. We will be continuing with Couples Night, looking to revamp our Friday Men's and possibly introducing a Family Night as well. Also in the plans is to fine tune the Parent/Junior Tournament, and to promote Junior Golf at the Course in 2012.

The buying show was successful and we are excited about the new clothing lines and products we will be introducing next season. A Kids clothing line will be available as well. Anyone wishing to take advantage of "corporate products" (ie/personalized logo golf balls or company clothing) should contact me immediately to start the ball rolling.

In 2012, 5 year Members and Seasonal

Adult Members will receive a \$100 gift card (with applicable Membership). This will replace the Club Account credit that was being tracked by computer. This will erase any confusion and will enhance Members to take advantage of products in the Clubhouse and Pro Shop.

Last year we played with the idea of a very forward set of tees. This is an idea based on the very popular "Tee it Forward" program in the US. These tee boxes are set up for the golfer who cannot hit the ball very far, but still wants to enjoy the game. It not only assists with the speed of play, but can also provide the greatest playability and enjoyment. Regardless of your skill level, give these new tee boxes a try and watch your scores drop!

We are "tweaking" our booking system. We will be taking bookings starting January 7th at 10:00 am for Members, who can now book up to 10 long range tee times instead of 6. Green Fee Player bookings

will start on Sunday January 8th at 10:00 am. They will be able to book up to a maximum of 6 tee times. Membership has it's privileges! As of January 3rd, 2012 you can call our new toll free number at 1-855-663-5300. We will have more long range times available in the mornings, and will move the majority of 7 day times to after 11 am. There will still be 2-7 day bookings available per hour between 6 & 11 am.

If you have any questions regarding the Booking System or would like to input on any programs we hope to have next year, please send me an email proshop@waskesiu.com.

On behalf of the Baker Family, have a Safe Christmas and a Happy Holiday.

Tyler Baker,

CPGA Head Professional

Note from the General Manager

The 2011 season was a success in so many ways. Gary Cross, Clay Gordon and their maintenance staff took the course conditions to another level. And Tyler Baker, in his second season back, increased the service level and put other golf operation processes in place. Paul Scherbey finished his first year as the Food and Beverage Manager. We made some real good strides in the right direction, but still have a long ways to go.

What's Up for the 2012 season:

First of all, Green fees, Memberships, Ten-Packs and rental prices will not change from 2011 prices.

The popular Couple's night is back for another season. Every Saturday in July and August, couple's come together and play 9 holes of a two-person scramble. Golf is followed by appetisers and drinks.

Current Five year members will have the opportunity to "Top Up" their memberships at retroactive prices. I will be in contact with each five year member personally to explain the program.

We are also adjusting our tee sheet to open up as of January 7th, 2012 after 10:00 am. Members will be able to book 10 long range bookings. Non-members can hold 6 Long range bookings at any one time. Non-members can book after 10:00 am on January 8th. Online bookings will not be available till April. Please call 306-663-5300 or Tyler Baker directly on his cell at 306-862-7969. We have also set up a toll free number, 1-855-663-5300.

We have an early bird special on Ten-Packs till March 1, 2012. You can purchase a Ten-Pack for \$450.00 (includes tax). Also plus another \$15.00 for a Lobstick Golf Club Inc. membership, which will give you the long range booking privileges.

The Waskesiu Golf Course would like to thank the Sponsors, who have been a key part of the success of the course. Conexus Credit Union is the title sponsor of the Senior Men's, the Men's and the Ladies Lobsticks. Pepsi continues to be a major sponsor of the Junior Boy's and Girl's Lobstick. Great Western Brewing Co. has also been a major sponsor for three seasons. A big thank you to all the other sponsors who made the 2011 season a success.

I would personally like to thank each and every member of the Board of Directors, for their hard work and dedication to the Waskesiu Golf Course. The time and effort that they put in is incredible. We have had a real strong relationship in my time at Waskesiu. A relationship which I know will continue to grow.

And finally, on behalf of my wife Sharon and our son, Matt, we would like to wish everyone a very Merry Christmas and a healthy and prosperous New Years. I look forward to seeing you up at the Waskesiu Golf Course in 2012.

Peter Anholt,
General Manager
