

December 2011

Another year comes to a close. Our course was in beautiful condition and we look forward to another season.

We have had an eventful year. Our customers raved about how beautiful our course was this year. The weather cooperated for a change to create great playing conditions. The only downside was the number of rounds played did not increase as much as we hoped but this is probably a reflection of the general downturn in the golfing industry. Our new menu attracted lots of favorable comments and our clubhouse was at capacity many times.

I would like to take this opportunity to thank our members, Peter and his staff and managers , our Board of Directors and all of our golfing guests for their loyalty and support over the last year. I wish all of you a Merry Christmas and Peace and Prosperity in 2012.

Enjoy your time over the winter as we all anticipate our first round of golf in Waskesiu in the spring.
